

SUNSEEKER PREDATOR 62

With her covered upper deck (including retractable sun-roof) and exceptionally elegant interior, the stately Predator 61 offers a variety of configurations and engine options. You can have a huge master stateroom aft with a large stateroom forward, or a large en-suite owner's cabin forward and two twin cabins aft.

Other features

For many, the range of Performance Motoryachts provides the perfect combination of features for those seeking familiar Sunseeker style and performance, as well as luxurious comforts. Extensive open-deck space is matched by spacious and imaginative interior layouts. And the use of modern construction techniques, with advanced power and drive systems, means that you can also enjoy high speed, ease of handling and a wide cruising range.
