BOAT DESCRIPTION

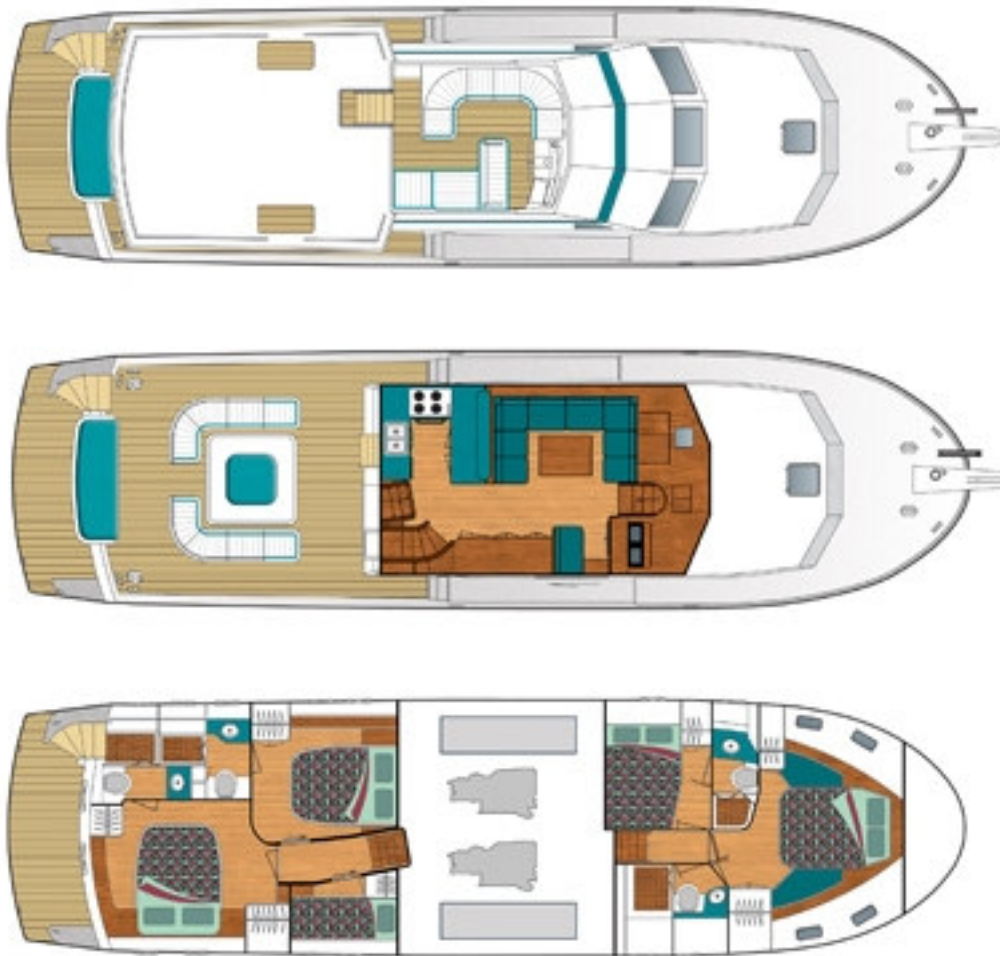

CABINS

The yacht offers 4 identical luxurious cabins, each offering double king-size beds. All the cabins as well as the crew cabin are equipped with a radio, CD/DVD player, and an LCD TV, connected to a shared satellite dish. Each cabin has an en-suite bathroom with electric toilets and shower cubicles.

DECK

Trader 585 is a motor yacht specifically designed for charter. Her steady hull provides secure navigation on longer cruises even during bad weather conditions. Stern deck, as extension of a very spacious saloon, shaded by means of a solid roof, provides an extra pleasant living area aboard. A large sofa set very comfortably accommodates up to 8 persons and a practical cockpit galley with sink, refrigerator and grill ensures enjoyment in freshly made dishes. Besides fully equipped dashboard, flybridge is a place for sunbathing on a sofa set, which is placed around a small table. For sunbathing and carefree lying around, there is a big bow sunlounge cushion. For adventurous exploration of islands and bays, the yacht is equipped with a TM 4 m rubber dinghy with a fast outboard engine Evinrude 50.

SALOON & GALLEY

Saloon is the main room, which will cool you down with air conditioning when it is too hot, and relax your senses with its pleasant design: big table and U-shaped sofa set. Extra entertainment is provided by the big LCD screen with the DVD player and Hi-Fi entertainment centre. A big wooden saloon table can be adjusted to provide an extra berth.

A functional galley provides a place where you can show off all your cooking skills even on long cruises. It includes a big refrigerator, freezer, oven, cookware, and a table set for 10 persons. The yacht interior is very spacious and provides enough room for all the crew members' activities. A staircase leads from the saloon to the lower deck where all the cabins are situated.
